

EDUCATIONAL PLANS AND FINANCIAL NEED:

How adequately are you able to meet college expenses? Be specific. Some scholarships require information concerning what proportion of a student’s college education his/her family can finance. Families frequently have obligations, which are not easily explained by filling out a form. How would you rate your Financial Need? Based on a scale of 0 – 10, where 0 is NO financial aid needed to 10 which is 100% needed (check box next to appropriate number):

1 2 3 4 5 6 7 8 9 10

Please provide a brief description of how you plan to finance your future education.
